Notable features:

Together the vacant bakery buildings occupy the largest parcel of land in the block and either a new use should be found for them, or the buildings should be cleared for another purpose. Housing for the elderly, light industry, or an extension to Poe Homes are alternate possibilities.

The houses at 840/842 depend on the bakery; if it goes, the houses go, but if it stays, the houses should be rehabilitated, windows opened up and utilized on all floors.

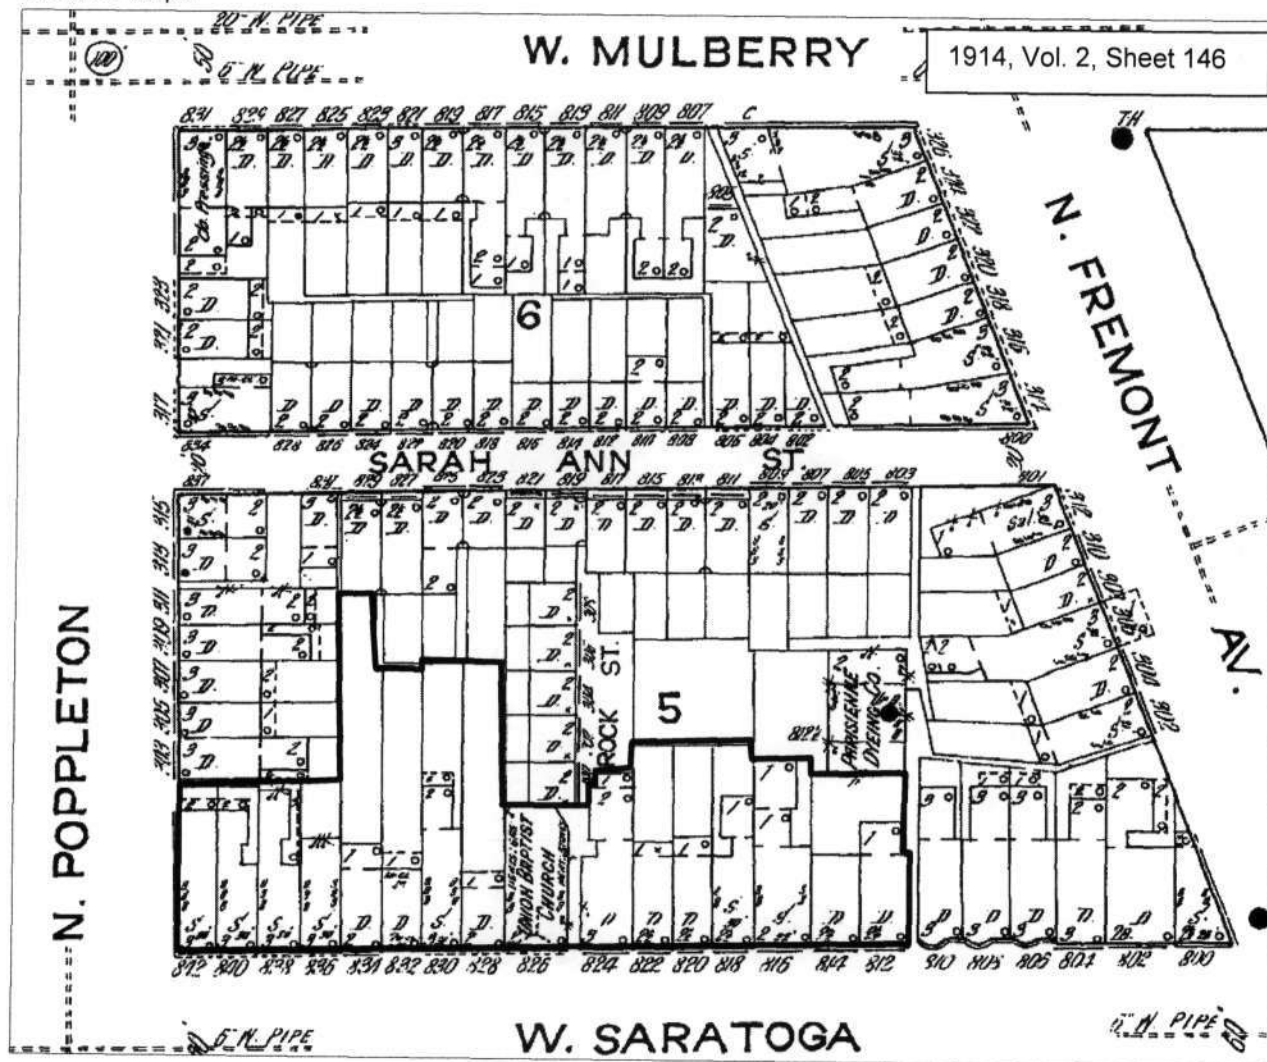

Environmental context:

Numbers 812-838 are vacant, which decimates this block. Poe Homes is opposite with a very green aspect, but Saratoga Street needs trees.
